THE HON'BLE SRI JUSTICE V.V.S.RAO
WRIT PETITION No.12700 OF 2006

ORDER:

The petitioners who are nine (9) in number were allegedly assigned house site pattas in Kanumollapalle village of Kadapa District. Apprehending that they might be dispossessed from their lands by the local influential people, they filed the instant writ petition. In support to the allegation regarding cause of action, para 4 of affidavit reads as under.

> Now, the revenue people at the instigation of local politicians and rowdy elements with an ulterior motive to knock away our properties are making hectic efforts to disposess us without any manner of right over the property. Recently, the revenue people only threatened us that they are going to cancel all the pattas and assign the same pattas to others and threatening us to vacate the premises. On 6-5-2006, we gave representation to the 1st respondent against the 2nd respondent and his staff about the illegal acts and their threatening acts in vacating us from the houses and the representation copy also filed for this Hon'ble Court's kind perusal.

The above allegation does not inspire any confidence in this Court. It is no presumption that the Government always acts contrary to law and violation of principles of natural justice. The petitioners already approached the first respondent by making a representation. They may pursue the said forum for redressal.

The writ petition, with the above observations, is dismissed. No costs.
